

Web Resources for Disaster Preparedness

Prepared by Sunnyvale SNAP Committee

This listing of resource web addresses has been developed by SNAP Committee members and SNAP Students. It is provided as a resource to you for starting your search for information and supplies as you prepare for potential disasters. We do not make any recommendations, claims or warranties that the web sites, services or other providers will be of any value to you. Do your own research.

Please share with the SNAP committee any resources that you have found helpful so that we may share them with others.

Organization	Web Site	Comments
Local
