

**DEFINITION:**

Ideological, political or social objectives: to create fear, PR, credibility (IG: pg. 8-2)

**CERTs:** See something; say something, e.g.:

- ✓ **Perpetrators may:** conduct surveillance, gather info, test security, impersonate, gather supplies, make dry runs
- ✓ **Dangers:** not our job to intervene. Use psych & first aid skills only -and feet to run.
  
- **Hazmat & CBRNE** = Chemical, Biological, Radiation, Nuclear, Explosives  
Look for vapor, smoke clouds, packages that are out of place, etc.
  - ✓ **Shelter in Place:** Shut off ventilator system, block window/door cracks.
  - ✓ **Decontaminate:** take all clothes off (shirt not over your head- cut it off), wash hands thoroughly, then whole body. Go to decon center for thorough cleaning.
  
- **Cyber attacks:** Disruptions of power, services, data breaches
  
- **ACTIVE SHOOTER:**
  - ✓ **Run:** (Regularly scope out 2 possible exits, including windows, upon arrival in any venue or building). Leave your stuff. Encourage others to escape, but don't wait for hesitators.
  - ✓ **Hide:** Lock & barricade door. Turn off phone sounds/ radio, etc. Be quiet.
  - ✓ **Phone or Text 911:** Provide situation, location (911 doesn't automatically know your location), perpetrator description, estimated number of victims. Mute and leave phone on for dispatcher to hear, if you can't talk.
  - ✓ **Fight:** Use anything handy. Coordinate with others. Yell, and commit to aggressive attack, like your life depends on it.
  - ✓ **When coming outside:** Keep empty hands up, in sight of officers, fingers spread. Follow their directions. No quick movements or yelling. Report any descriptions of perp/s, hazards, #/ type of weapons, # of people inside, injured, locations, etc. Don't leave unless officers authorize it.
